

APPENDIX D:

WATERSHED MONITORING PHOTOS

This is a selection of repeat photos. Photos are arranged by watershed, and are shown in sequence from downstream to upstream.

Diamond Creek: Downstream of the Burn	D-2
Diamond Creek: Inside the Burn Perimeter.....	D-11
Halfway Canyon	D-18
Diamond Creek: Upstream of Halfway Canyon.....	D-21
Cottonwood Creek: Downstream of the Burn	D-31
Cottonwood Creek: Confluence with Lower Twin Canyon	D-41
Cherry Creek: Tributary of Cottonwood Creek.....	D-42
Cottonwood Creek: Above Cherry Creek.....	D-43
Cottonwood Creek: Confluence with Upper Twin Canyon.....	D-44

Diamond Creek: Downstream of the burn

Road crossing #1 (3 miles downstream of burn)

road stabilization treatment
complete

Road crossing #1/ looking down canyon

Road crossing #1/ looking upstream

Road crossing #3 (2.5 miles downstream of burn)

Road crossing #4/ looking up canyon

May 26, 2005

Road crossing #5/ looking upstream
(less than one mile downstream of burn)

Road crossing #5/ looking across stream

road stabilization treatment
complete

May 26, 2005

Road crossing #6/ looking downstream

Road crossing #6 (less than ½ mile downstream of burn)

May 26, 2005

Diamond Creek: Inside the Burn Perimeter

Road crossing #7/ looking down canyon

Road crossing #7/ looking up canyon

May 2005

Road crossing #7/ looking downstream

Road crossing #7/ looking upstream

Road crossing #7/ looking upstream

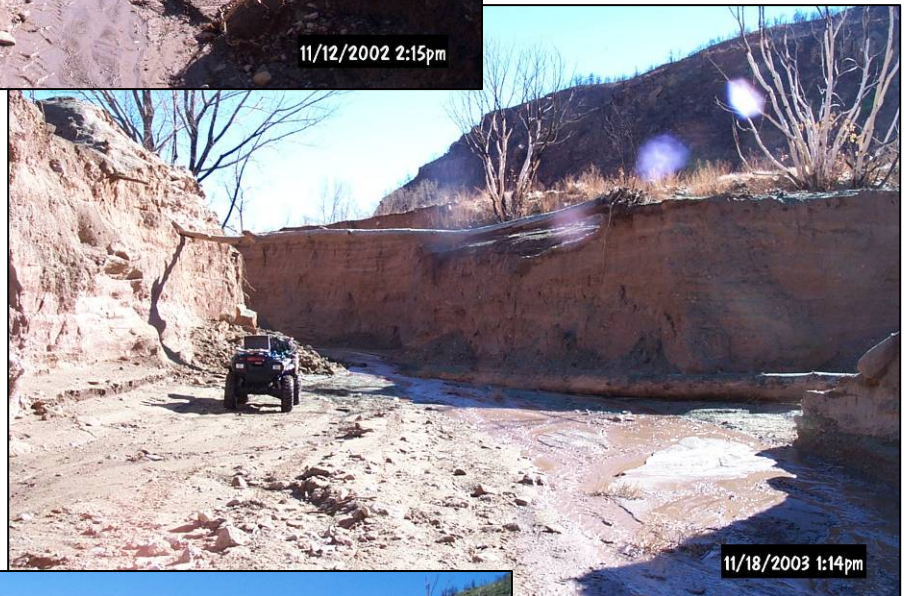

May 26, 2005

½ mile downstream of Halfway Canyon
looking upstream

May 19, 2005

at confluence with Halfway Canyon/ looking downstream

Halfway Canyon at confluence with Diamond Creek/ looking upstream

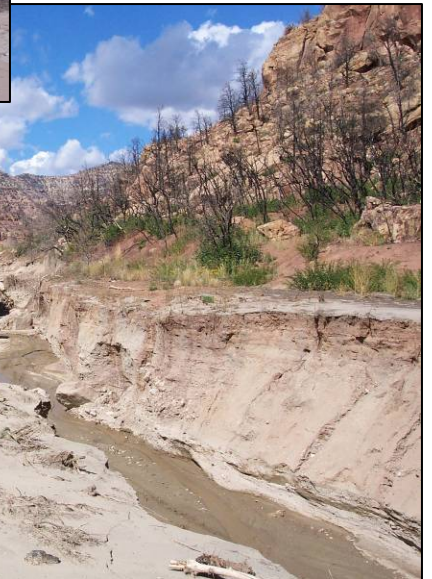

above confluence with Diamond Creek/ looking upstream

½ mile above confluence with Diamond Creek/ looking upstream

Diamond Creek: Upstream of Halfway Canyon
Road crossing #8/ looking upstream

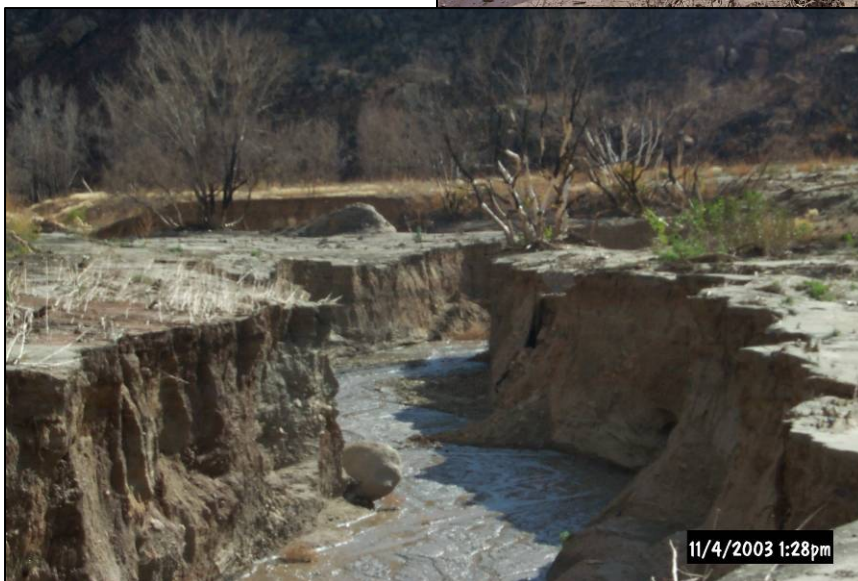

October 15, 2003

Road crossing #8/ looking downstream

2004

Road crossing #8/ looking up canyon

RAWS location
looking upstream

½ mile downstream of Oak Springs
looking downstream

March, 2005

Looking upstream at Oak Springs

July 7, 2005

Downstream of Oak Springs
looking downstream

June 24, 2005

Oak Springs area
looking upstream

June 24, 2005

Upstream of Oak Springs
looking at canyon wall

June 26, 2005

1 mile upstream of Oak Springs
looking upstream

June 28, 2005

Cottonwood Creek: Downstream of the Burn

Downstream of confluence with Diamond Creek/ main ranch access road

Below confluence with Diamond Creek/ looking downstream

Below confluence with Diamond Creek/ looking upstream

Below confluence with Bull Canyon
(1/2 mile downstream of burn)

9-17-2003

Road treatment area
looking upstream

July 17, 2003

Downstream of road crossing #10
looking upstream

Road crossing #10/ looking downstream

6-4-2004

Road crossing #10/ looking upstream

6-4-2004

Road crossing #10/ looking across beaver pond

June 4, 2004

Spruce Canyon, tributary of Cottonwood Creek
Looking down canyon

June 2003

July 7, 2005

Cottonwood Creek: Confluence with Lower Twin Canyon
Looking upstream

Cherry Creek: Tributary of Cottonwood Creek
Looking downstream at mouth

Cottonwood Creek: Above Cherry Creek
Looking upstream

Cottonwood Creek: Confluence with Upper Twin Canyon
Looking upstream
